

Feather Boutonniere Pins

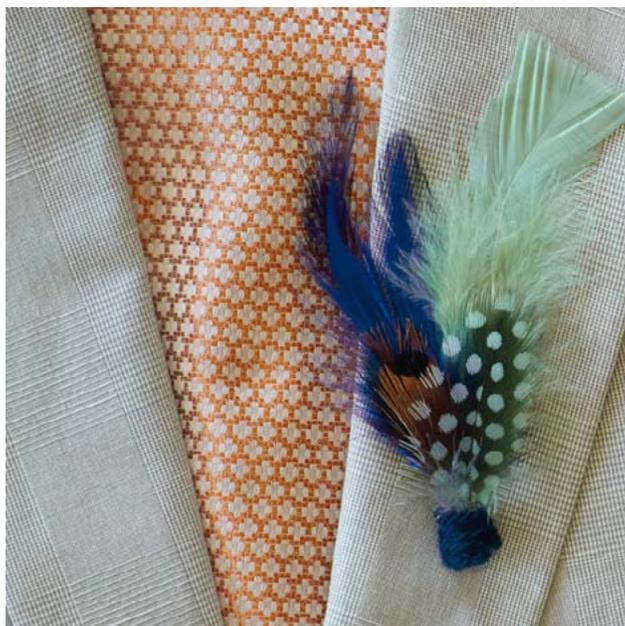

Crafter level: Easy

What you'll need for 2 pins

- Felt square in color to match feathers
- Scissors
- Feathers (about 4 per pin)
- Yarn
- Hot glue gun and glue sticks or strong craft glue
- 2 pin backs

How to make it

1. Cut 2 teardrop shapes from the felt square using template provided. Set aside.
2. For each pin, hold 4 feathers together at the quill ends and arrange them in your hand with the smaller feathers in front.
3. Wrap a small piece of yarn (6 to 8 inches long) around the quill ends to secure the quills together. Knot the yarn on the backside of the feathers and add a dab of glue to the knot.
4. Glue a teardrop felt shape to the backside of each set of feathers, with the point of the teardrop at the quill ends of the feathers. Glue a pin back to the backside of each felt shape.
